

## DAIRYLAND GARDEN TRACTOR PULLERS 2025 Membership Form

Welcome to the 2025 DGTP pulling season! As usual, you have the option to purchase a membership. Membership will get you into the points program and gives you and one crew member free entrance into our events. One membership card will be issued per tractor. Keep your membership card- it may be needed during registration and will be needed for proof of membership at events that have a gate fee. We will continue to take memberships throughout the year however we are not able to guarantee we can order additional shirts after July 4th.

Should you have any further questions regarding the rules or the membership/shirt ordering forms please contact Brandon or Cody at numbers listed below.

We are looking forward to an exciting season and with you joining us.

Thanks
